Without exception every one of the form does not more nearly represent thusiasm in an apathetic situation. President's callers of note this week have sounded the same note, namely, that things were looking brighter, and that "the danger which existed a week or two ago is now disappearing."

What Caused Alarm?

It is not conceivable that this alarm, now said to belong to the past, was due entirely to a lack of financial support. It was rather, in the opinion of one of the President's advisers, caus ed by the inability of the campaign managers to arouse the voters. This awakening, it is confidently predicted, is now taking place, and before the end of the coming week, so the prognosticators say, the rank and file the Republican party will be as energetic as a healthy man after a cold
